

WOMEN DELIVER

When the world invests in girls and women, everybody wins.

As a leading, global advocate for girls' and women's health, rights and wellbeing, Women Deliver brings together diverse voices and interests to drive progress in maternal, sexual and reproductive health and rights. We build capacity, share solutions and forge partnerships, together creating coalitions, communication and action that spark political commitment and investment in girls and women.

WOMEN DELIVER SERVES AS A:

➤ CONVENER AND CONNECTOR:

creating the spaces for diverse voices and groups to meet, build coalitions and drive progress.

➤ CAPACITY-BUILDER:

building the skills, knowledge, and capacity of groups across sectors and generations.

➤ COMMUNICATOR:

creating, collating and disseminating information and messages to influence agendas and fuel the movement.

➤ CATALYST:

driving action for political commitment for and investment in the health, rights and wellbeing of girls and women.

WHAT WE DO:

➤ DEVELOP ADVOCACY TOOLS:

Women Deliver creates tools and resources that make the case for investing in girls and women through effective messaging, engagement with the media, and communications around our issues.

➤ GROUNDBREAKING CONFERENCES:

Women Deliver's conferences are the world's largest global convenings to focus on the health, rights, and wellbeing of girls and women. In 2013, more than 4,500 people from 149 countries gathered in Kuala Lumpur, Malaysia. The next global conference will be held in Copenhagen, Denmark 16-19 May 2016.

➤ SPOTLIGHT ON REGIONAL AND COUNTRY ISSUES:

These meetings bring together country and regional experts, decision-makers, and advocates to identify solutions, success stories and ongoing challenges.

➤ EMPOWERING YOUNG LEADERS:

Women Deliver works to develop the skills of young advocates in developing countries through our workshops, online learning communities, scholarships to key events, and high-level networking opportunities.

➤ FOCUS ON NEW PARTNERS:

We work to expand the community of those dedicated to bettering the lives of girls and women by engaging partners across issues and sectors and around the world.

OUR UPCOMING WORK:

Global conference in

Copenhagen, Denmark
16-19 May 2016 with more than 5,000 attendees from more than 150 different countries

Country consultations on the Sustainable Development Goals and women in 2015

A **global symposium**, "Girl Power in Play," focused on girls, sports and empowerment in 2015

Building **leadership skills of youth advocates** around the world through a mini "Advocacy University," a Young Leaders Speakers Bureau, and seed grant opportunities

Strengthening of our **corporate forum**, "The C Exchange"

Strengthening our **information exchange and news coverage** to support our dynamic global online community of more than 94,000 advocates around the globe

Publications and infographics on girls and women, and the post-2015 sustainable development agenda, including the economic case for investing in girls and women
